

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool

Revised July 2021

Commissioned by

Department
for Education

Created by

YOUTH
SPORT
TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£0
Total amount allocated for 2020/21	£0
How much (if any) do you intend to carry over from this total fund into 2021/22?	£0
Total amount allocated for 2021/22	£17,000
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£17,000

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.</p> <p>Please see note above</p>	42%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	42%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	84%

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Yes/No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23		Total fund allocated: £17,000		Date Updated: Jan 2023	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					59%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Playground equipment	To create new spaces outdoors to support pupils being physically active during play and lunchtimes		£8000	New outdoor play equipment enables more pupils to be engaged in physical activity during unstructured times – make more use of outdoor learning as we promote active lessons across the curriculum	
Road map display – to monitor activity levels for classes (linking to a similar initiative to the daily mile)	Intent to identifying activity levels across Key Stages 1 and 2 and monitor and evaluate which classes/pupils are most active and look at ways to engage more pupils into being active at least 30 mins per day (linking to School Games mark criteria)		£1000 for resources to map and for rewards	Promote and celebrate success of specific classes and link to curriculum areas	
Rewards half termly for classes – activity day out	Training for staff or create resources to promote the programme		£1000	Delivered successfully within curriculum time.	
Look into initiatives (e.g. Stormbreak) to identify activities for mental and active breaks in lessons					
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation:

			20%
Intent	Implementation		Impact
Activity days with themes every term	To increase participation with pupils as well as develop staff confidence to support physical tasks	£1000	Increase physical activity, links to wider curriculum.
House competitions every half term		£500	
Sports day provision	To use sports resources and space to fulfil other curriculum subjects		Developing the curriculum to reflect the ever changing needs of the pupils – pupils will have differentiated activity based curriculum for pupil centred learning. Improve physical literacy, building skills over time for a 2-3 year rolling programme
Active maths and literacy		£2000	
Facilitation of training and resources around specific curriculum activities e.g. gymnastics and sensory play	To have effective equipment and resources so the curriculum is appropriate for the needs of our pupils		

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport			Percentage of total allocation:
			6%
Intent	Implementation	Impact	

Staff CPD each term– link to Space clubs, afterschool provision Pool rescue for TAs and other staff – refresher courses when qualification expires	To upskill new staff and TAs to support teaching of PE and swimming, as well as improving staff competence and confidence when leading Space clubs	£1000	Staff have confidence to engage in water on a one to one support and also supports swim teacher when leading small groups/individuals – pupils get better quality support as staff are upskilled/more knowledgeable	
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation: 12%
Intent	Implementation		Impact	
Activity days for OAA for KS2 classes Enrichment activities for pupils as rewards for participation levels – linked with road map Bikeability and learn to ride provision (maintenance)	To look at opportunities throughout the year that arise to support NC provisions e.g., OAA	£2000	Learning in different environments which promotes and gives experience to pupils outside of the normal classroom (cultural capital) Personal development in line with SIP and school intent	

Key indicator 5: Increased participation in competitive sport			Percentage of total allocation: 3%
Intent	Implementation		Impact
To liaise with SGO and to reignite the sports calendars for SMILE events, PASS events within the city Intra and inter competitions for all classes to experience physical activity offsite and away from the normal classroom	To continue to work towards School games mark award - platinum	£500	Personal development for pupils, developing experience, competition and challenge which is promoted in school Games and cultural capital
